

# 9189

POINT-OF-SALE

HAT  
DESIGN WORKS™  
HUMAN ACTIVE TECHNOLOGY

# DURABLE, AESTHETIC, CUSTOMIZABLE.

The 9189 through-counter POS mount supports monitors, signature capture devices, kiosks, and more, making it ideal for high-traffic point of sale locations. Integrated cable management keeps cables safe and out of view. Three sizes provide height adjustment ranging from 12" to 36".

## FEATURES

- **Versatile:** Countertop mount supports monitors, signature capture devices, kiosks, and more.
- **Adjustable:** Monitor height is adjusted through the counter.
- **Flexible:** Users are able to pivot and turn the monitor; the monitor can also be locked into place if desired.
- **Cable Management:** Monitor mount features internal cable routing; cables may pass through counter or exit behind mount.
- **Durable:** POS display mount is made of durable construction and stands up to retail use.
- **Customizable:** Compatible with Modular Now accessories, except base plates, on the uppermost section of the pole.
- **Compatible:** VESA-monitor compatible – 75mm & 100mm VESA adapter included.
